

Designer Contracts

Corporate Social Responsibility Policy

Designer Contracts believes in conducting business in a manner to achieve sustainable growth whilst demonstrating a high degree of social responsibility.

Our responsibility encompasses interaction with:

- Our marketplace
- Our environment
- Our Community and
- Our People

Demonstrating our commitment to Corporate Social Responsibility is a journey, during which we aim to align our business values, purpose and strategy with the social and economic needs of our Stakeholders whilst embedding responsibility and ethical business policies and practices into everything we do.

By working together with all our Stakeholders and embracing CSR, Designer Contracts opens doors to new markets, opportunities and relationships, increasing competitiveness and profitability and demonstrating our continued commitment to sustainable development.

Designer Contracts is committed to the following CSR principles:

- We manage our business with pride and integrity
- We're committed to full legal compliance in all that we do
- We aim to provide a safe, fulfilling and rewarding career for all our employees
- We will develop community programmes which support our brand values and further promote our recognition as an active contributor to local community development
- We're committed to minimising and reducing our direct impact on the environment by managing our waste, emissions, and consumption of natural resources
- We will work with our suppliers and supply chains to procure as many of our products from renewable sources that have outstanding physical properties and environmental benefits
- We will benchmark and evaluate what we do to constantly improve our competitive edge and social value in the marketplace
- We will continually benchmark and evaluate what we do in order to improve our CSR performance.
