Hazards

Hazard	Vulnerable People
Risk Of Harm	Serious harm to yourself or others.
Existing Control Measures	1. Ensure that all employees and subcontractors have access to and are familiar with Designer Contracts Safeguarding Policy and their responsibilities within it. 2. Respect the rights, wishes and feelings of children, young people and vulnerable adults. 3. Ensure all employees and subcontractors who work on site with children, young people and vulnerable adults are subject to Disclosure and Barring Service (DBS) checks and have a satisfactory disclosure prior to commencing work. 4. Work area to be segregated to avoid any contact between contractors and children, young people or vulnerable adults. Ensure that employees and subcontractors work only within the confines of the agreed site or work area. 5. Ensure that employees and subcontractors obtain consent if access is required outside of the designated site or work area. Access to the premises must be regulated to minimise disruption caused on site by the works being carried out. 6. Report any matters out of the ordinary, or of concern, immediately to the Site Manager who will escalate this further if necessary. 7. Avoid contact with any children/young people/vulnerable adults whilst on site. Any contact that does take place must be supervised with a member of staff or a suitably vetted volunteer. 8. Ensure general safety and risk management procedures are adhered to at all times
